

CEAD WORKS 2022

JUNE 23RD – JUNE 30TH

DESIGN FOR INDUSTRY BUILDING, NCAD,
100 THOMAS STREET, DUBLIN 8

NCAD

CONTINUING EDUCATION IN ART & DESIGN

Introduction

The work you see in this exhibition is representative of the range of part-time flexible courses which the NCAD Continuing Education in Art and Design (CEAD) Department offers mature students to suit a wide spectrum of learning needs and interests. The CEAD programme includes short non-assessed courses, Audit/Credit modules, which can be combined to gain a University Certificate in Visual Arts Practice, right up to a Higher Diploma in Art

This exhibition showcases over 470 works from nearly 150 students. The exhibition is organised by the NCAD Evening Students Union (ESU) with the support of NCAD & CEAD.

If you see a piece of work that you like which is un-priced or unlisted please ask a member of the sales team for further information.

If you would like further information on any of the courses then please ask a member of the sales team or contact us as follows:

Contact Details:

NCAD CEAD Office: cead@staff.ncad.ie

NCAD Evening Students Union: esu@student.ncad.ie

Layout of the exhibition

The work in the exhibition catalogue has been organised by course and then student so you can get a flavour of the type of learning experience that each course offers.

Detail of 'Grogans' by Linda Hartsema

Ground Floor

- Higher Diploma in Art
- D+VI: Drawing and Visual Investigation
- P+DI: Photography & Digital Imaging

First Floor

- VAP Audit Credit Courses
- Non-assessed Courses

Showcasing finished and process work, including notebooks and portfolios which demonstrate how ideas are developed through the creative process

CEAD Programme Credit Values

NCAD offers a range of credit bearing part-time programmes through the Department of Continuing Education. Part-time programmes offer a flexible approach that is an important aspect of NCAD's broad remit in providing art & design education. A recent process of review has resulted in a number of changes, the effect of which was to align part-time credit programmes with the academic structures and awards in the College.

Part-time certificates:

- Drawing & Visual Investigation (DVI)
- Photography & Digital Imaging (PDI)
- Visual Arts Practice(VAP)

Each Certificate carries a credit weighting of 30 credits at Level 7.

The University Certificate in Visual Arts Practice is one of a number of accredited courses available to mature students seeking flexible quality learning opportunities at NCAD. The course contains multiple modules offering choice to students, who can construct a sequential programme of learning from a multi-disciplinary modular framework. Each module takes place on one evening per week throughout the academic year. Students are required to complete four modules altogether, two studio practice modules in art and design, a module in professional practice and one module in visual culture. Successful completion of four modules in one year or up to three years part-time will result in students being awarded a Certificate in VAP (Visual Arts Practice).

CEAD Part Time Higher Diploma in Art

The Higher Diploma in Art provides mature students with opportunities to deepen their knowledge, skills and experience in visual art practice. This programme provides lifelong learning options for adults who wish to participate in flexible learning and acquire a level 8 qualification in art. Having completed a level 6/7 certificate, students are eligible to apply for this 2-year programme. During the Higher Diploma, students progress from creative exploration, inquiry and discovery, to engagement with context, audience, histories and cultures.

P+DI: Photography & Digital Imaging Certificate AD096

This one-year part-time course offers students an opportunity to extend their visual vocabulary and explore the creative possibilities of photography within contemporary visual art and design practice.

Subjects covered include: dark room skills, printing processes, camera use, studio photography, digital photography and image manipulation. This knowledge, coupled with discussion and analysis, assists students to locate current practice within the historic tradition of photography.

D+VI: Drawing & Visual Investigation Certificate AD095

This one-year part-time course in drawing and visual investigation provides students with knowledge, skills and understanding of contemporary approaches to drawing and visual research. The course aims to foster the intellectual and practical creativity of the individual. Drawing and Visual Investigation is concerned with conceptual approaches to drawing as well as developing students' direct observation practical skills and their visual analysis.

VAP: Visual Arts Practice Certificate AD094

The Audit Credit modules offer a flexible way for part-time students to accumulate credit, gain experience, knowledge and skills across a wide range of fine art and design subjects.

Students have the option to take modules and accumulate credit towards a Certificate in Visual Arts Practice (VAP). Students must complete four modules to complete the VAP Certificate.

Autumn non-credit courses

Autumn non-credit courses are at different levels; there are introductory courses suitable for beginners, or for those considering returning to or progressing within higher education.

Acknowledgements

The CEAD Evening Students Union (ESU), on behalf of all exhibiting students, wishes to thank all tutors involved in the preparation for the exhibition.

In particular, the ESU extends heartfelt thanks to Anne-Marie Keaveney who will finish teaching CEAD students this year after many years. Current and former CEAD students will be forever grateful for the dedication, support and encouragement offered by Anne-Marie. We wish you every success and happiness for the future Anne-Marie.

Thanks also to all student volunteers who assisted with the exhibition.

ESU Committee:

Sarah O'Connor - Chair
John Lonergan - Secretary
Barbara Bruk - Treasurer
Lyn B Worrall - Technology

Catalogue Committee:

Cecilia Lopez-Naughton
